

## **Printable Camino Route Directions**

*From Moonlight Beach to Southview Road you will be following The Great Trail/Trans Canada Trail (TCT). Once you have reached Southview Road, you will follow the Camino detour towards Robinson Park. The TCT continues towards Fielding Park.*

### **START: Moonlight Beach**

- Find the trail entrance with the TCT logo, at the end of the second parking lot towards the volleyball courts
- Follow the widest gravel path past Camp Sudaca into the Lake Laurentian Conservation Area (LLCA)
- Walk over the boardwalk and keep left at the next fork in the road
- At the wooden bench, turn right, disregard the continuation of the straight trail
- At the next intersection turn right and follow the red blazes
- You are now on your way to Milestone 1: Bioski Cottage

### **MILESTONE 1: Bioski Cottage**

- Keep left on the road and then follow the trail left into the meadow at the Bioski Club sign
- Follow the orange blazes and TCT sign, you are on your way to the LLCA Nature Chalet
- Before the Nature Chalet you will reach a fork in the road, keep right onto the Chickadee loop  
*You will know you're going the right way if you come across the story trail*
- You will soon arrive at the LLCA Nature Chalet
- Cut across the parking lot and take the stairs up, turn right at the fork at the top  
*You will know you are going the right way when you pass the silver memorial bench, on the right, a short time later*
- Take the wetland bypass trail and then turn right at the next intersection following the TCT signs
- Follow the red blazes  
*Disregard the first fork, the trail merges further down the trail*
- Continue on the trail until you reach a second fork in the road and keep right even though the red blazes continue left
- Cross over the perpendicular ski trail and continue straight
- You will arrive at a fork in the road, take the trail to the upper right
- Continue on the trail all the way up the hill  
*You will know you've gone the right way when you reach the Canadian flag at the Laurentian University lookout soon after*
- Proceed right after the flag and follow the orange bands on trees down
- You will reach another ski trail, cross over and continue straight
- Exit onto South Bay Road, turn right and then make a quick left onto Arlington Boulevard
- The roadway will turn left, but keep going straight onto the TCT, right of the red house
- You will eventually come to a fork in the trail, take the lower left trail
- Continue on the TCT, disregard any intersecting trails  
*You will know you've gone the right way when you reach the Bethel Lake boardwalk*
- After the boardwalk, follow the gravel trail then make a quick left at the blue arrow onto a narrow trail

*If you reach the end of the cul-de-sac, you've gone too far*

- Follow the trail into the bush
- You will exit onto Ramsey Lake Road across from house 1150
- Turn left and follow the road
- Continue past Laurentian University, on your right you will see Milestone 2: Living with Lakes Centre

### **MILESTONE 2: Living with Lakes Centre**

- Continue on Ramsey Lake Road in the direction of Science North and the Hospital
- Take the first turn off on the right  
*\*\*\*Caution: High traffic area. Alternate Route: nearest pedestrian crosswalk located at intersection of Ramsey Lake Road and Paris Street*
- Follow the blue arrow across the parking lot  
*If you reach the entrance of the Hospital (on your left) or Science North (on your right), you've gone too far*
- Continue left through the trail and continue onto the road, passing by the Northern Water Sports Centre on the right
- Continue straight down the road until the last bend, the trail continues through bush onto the lawn at Science North
- Cross the lawn and continue onto the Bell Park boardwalk to the right
- Continue until you reach Milestone 3: The Bell Park Main Beach  
*The Milestone is indicated by the tall yellow lifeguard chair*

### **MILESTONE 3: Bell Park Main Beach**

- Continue straight down the boardwalk path onto Elizabeth Street, and cross John Street
- Follow the road as it veers left
- Going right, cross the Nelson Street pedestrian bridge
- Continue left on Elgin Street under the Bridge of Nations
- Cross towards the Stompin' Tom statue
- Just after the Laughing Buddha go down the stairs and take a quick left through the underpass
- You will surface at Riverside Drive, take a quick right down the St. Catherine Switch Back Trail
- Continue straight down the St. Catherine path, under the bridge and onto Douglas Street
- Follow the sidewalk past the guardrail and make a quick left at the entrance of the trail beside Junction Creek
- When the trail intersects with Cross Street, turn left onto the street
- Use the pedestrian crosswalk onto the trail entrance off Riverside Drive
- You will cross the metal bridge and follow the trail right  
*If you reach the corner of Wellington and Kingsmount you've gone too far*
- Continue on until you reach Regent Street
- The next trailhead is located in the back left of the Greater Sudbury Utilities parking lot across the street  
*\*\*\*Caution: High traffic area. Alternate Routes: pedestrian crosswalk located at intersection of Regent and Lorne Street OR turn left onto Regent Street, make a right onto McLeod Street and continue straight until you reach Norman Street*

*NOTE: If you follow the second listed alternate route you will bypass the Regent to McLeod Street portion of the TCT*

- Continue on the trail, until you reach the parkette
- Cross McLeod Street going right and turn left onto Norman Street
- Continue on the trail and you will see Milestone 4: St. Francis School

#### **MILESTONE 4: St. Francis School**
